David, Curtis, Paula, Kelly and Marianne,

I'd like to thank your teams for your help with state-focused inquiries over the past two days. From sending background info on individual reporters --- to flagging local issues for our awareness --- to super-fast routing of inquiries, you and your press officers have been awesome.

For your reference, here is a daily wrap for inquiries from Regions 6-10.

Please let me know if you have any questions.

Onward!

Christie
